Dear Mr. Ramotar,

We wanted to take this opportunity to thank you for your continued support of the Schenectady County Summer Youth Employment Cooperative. We very much appreciate your partnership with our program and SCCC Day would not have been possible without your help this year. We have had so much positive feedback about the banking presentations done at SCCC Day and hopefully your presentation has instilled the belief that banking is valuable into our youth.

This year, 500 youth, parents/guardians, and worksite supervisors were able to attend the Awards Ceremony Picnic in the Central Park Pavilion and Music Haven Stage. There was a special performance during the Awards Ceremony where three of the youth in the program put on a phenomenal performance of an original song, "You Can Make It." More than half of the youth employed in our six week program received awards for perfect attendance and many youth were also nominated by their job coach or worksite supervisor as outstanding employees of the summer. Overall, it has been a very rewarding six weeks for everyone involved in the Summer Youth Employment Cooperative and we could not have done it without your support, thank you.

Sincerely,

Jennifer Bargy
