Dear Sid:

As we come to the close of the 2006-2007 program year it is time to reflect on our accomplishments. On behalf of the board of directors and staff of Junior Achievement I would like to thank you for your help in making this year such a success. With your support we were able to help over 24,000 students in 1175 classrooms have a better understanding of the free enterprise system and the importance of education.

As we move to align ourselves with the Tech Valley initiatives it is important that we prepare our students accordingly. We need to provide young people with an understanding of the world of work so they can succeed in the world of the future and that is what Junior Achievement is all about. With your continued support we can insure that our school children will excel in the classroom, the workplace, and as future leaders of our community.

We value you, our JA volunteers!

As a token of our appreciation for your support, please find enclosed an invitation to our annual volunteer recognition reception. This year's hors d'oeuvres reception will be held on Tuesday May 22nd from 5:30-7:30 p.m. at the Glen Sanders Mansion. I hope you will be able to attend, enjoy the delicious food and pleasant atmosphere and meet the other wonderful people who make our programs possible. I look forward to seeing you there! Please return your response card by Friday, May 11th and thank you once again for your time and dedication to Junior Achievement and the young people we serve.

Very truly yours,

Robert Clancy
