Dear Sid:

Thank you so much for helping us organize our Leadership Tech Valley session at the Chinese Community Center. Without your support our May session would not have been such a huge success!

Everyone enjoyed the afternoon panel discussion with Randy Chan and Edwin Pernaut. Because of you, we had the opportunity to share Randy and Edwin's experiences and perspectives with our group of emerging Tech Valley leaders. We truly appreciate all your efforts.

We look forward to continuing to work with you in the future, and as always we appreciate the support of our community and its leaders. We could not provide a fraction of our programs without people like you to help us organize it.

Thank you for your continued support of our Chambers.

Sincerely,

Robin Granger
