Giulio Facci

Solid Surface Craftsman
114 Freemans Bridge Road
Glenville, NY 12302

Dear Sponsor:

Thanks to you and your support of the Glenville Rotary's Sixth Annual Golf Classic, the Glenville History Center recently opened.

Your sponsorship went a long way toward the opening of the Glenville History Center. The History Center was adopted as the Rotary Club of Glenville's Centennial Project, we provided supplies for painting, landscaping and a street sign for the Center. The History Center is located on Glenridge Road, west of the town offices. Other proceeds from the Golf Classic will be contributed to new football fields in Indian Meadows Park and other projects of the Rotary Club of Glenville.

Enclosed you will find a certificate of appreciation and a copy of the program that was distributed to all the golfers on the day of the event.

Again, I thank you on the behalf of the Rotary Club of Glenville for your support of our Golf Classic and hope you will consider supporting the event again next year.

Sincerely,

Beth Gregory
Golf Classic Chair
