Glenville, NY 12302

On behalf of the St. Helen's School golf committee I'd like to thank you for your donation of \$150 for our annual golf tournament. Through your generosity and that of our other sponsors \$7,000 was raised. Money raised will be used to offset tuition for the 175 children enrolled in our school.

It's an exciting time to be involved in St. Helen's School. Our new Lally-Perkins Media Center has been put to good use by our students and teachers this year. One example of how this technology is being utilized is the recent video conference our third graders participated in with the Cincinnati Zoo. Our children were able to speak with one of the zoo keepers and see the animals he was speaking about without having to leave the school!

We are looking forward to opening our new year round daycare program for 3 and 4-year-olds this August and the reinstatement of our part-time nursery program for 3-year-olds. These two programs will compliment our current offerings of part-time preschool for 4-year-olds and our full day kindergarten. If you know anyone in the market for early childhood education please tell them about St. Helen's.

The staff and students of St. Helen's appreciate your generosity. If you would ever like a tour of our facilities, please feel free to call me at 382-8225.

Sincerely;

Maureen McGuinness Russo  
Director of Development, Recruitment, and Retention
